

Dragon extensions for web browsers

Dragon will be more functional in web browsers if the Dragon extensions/add-ons are loaded.

Google Chrome

Load the Dragon web extension for Chrome.

To check whether the extension is loaded go to settings/more tools/extensions.

Microsoft Edge

Load the Dragon web extension which is available in the Microsoft store.

To check whether the extension is loaded, click on the 3 dots in the top right-hand corner of the Microsoft Edge screen/Extensions/ manage extensions

Internet Explorer

Load the two Dragon add-ons for Internet Explorer to check if they are loaded, go to settings/Manage add-ons

View and manage your Internet Explorer add-ons
